FREQUENTLY ASKED QUESTIONS

Q: Does the \$50 payment cover vehicle registration fees?

A: No, the license plate fee is not part of your vehicle registration renewal fee. The \$50 payment will cover two Nationals license plates for the front and back of your vehicle.

Q: Can I personalize the plate?

A: No, each plate will display four numerical digits and cannot be personalized.

Q: Can I request a specific plate number, like "0089"? If not, how will plate numbers be assigned?

A: No, we will not take special requests for plate numbers. The MVA will assign plate numbers at random and it is up to the discretion of the MVA as to what numbers will be generated. Please note that plate "0000" will not be issued as a valid Nationals license plate. The Washington Nationals Dream Foundation will be holding the first 100 plates to auction off at a later date after the 2013 season.

A: No, you have to buy the plates and use them on your car.

Q: How long will it take to receive the Nationals license plate once the application form has been submitted?

Once the MVA receives the submitted application, plates will be issued from the Glen Burnie office, which processes plates on a daily basis. Plates are typically received in approximately eight to 10 weeks.

Q: If I am about to get a new car, will these plates transfer over to my new car?
